AUTHOR INDEX

This index comprises the names of the authors of articles, abstracts and extracts from osteopathic and medical literature published in THE JOURNAL OF THE AMERICAN OSTEOPATHIC ASSOCIATION. For subject index see the General Subject Index.

CURRENT OSTEOPATHIC LITERATURE, ABSTRACTS AND EXTRACTS

Arends, Norman W.: See Button, Boyd B., jt. author
Attebery, C. L.:
Clinical considerations of bronchoscopy. 554
Bailey, K. Grosvenor:
Nystagmus, 439
Brown, E. A.:
Some considerations of poliomyelitis, 554
Bruner, Harold: See Dressler, Otterbein, jt. author
Button, Boyd B., and Arends, Norman W.:
Oxyuriasis in one thousand cases of appendicular disease, 552
Carlson, Ernest J.:
Impediments to recovery, 552
Chandler, Louis C.:
Indigestion, 513
Chapman, R. J., and Swift, Louise F.:
Recent advances in myelography, 553
Choate, James J.:
Sacroiliac lesions, 441
Conley, George J.:
Synthetic rubber glove allergy, 263
Cressman, Edwin H.:
New developments in antisyphilitic therapy, 552
Serologic interpretation in the diagnosis of syphilis, 116
Cunningham, John R.:
The articular facets and low-back pain, 441
Dressler, Otterbein, and Bruner, Harold:
A four-year survey emphasizing the importance of routine serologic tests for the diagnosis of syphilis, 263
Eaton, James M.:
The diagnosis and treatment of the herniated nucleus pulposus, 211
Fischer, Ralph L.:
Some observations on the use of sulfonamides, 337
Gillett, Clyde F.:
Tonsillectomy, 553
Grainger, H. G.:
The disc syndrome of herniation of the nucleus pulposus, 441
Hardy, Lowell M.:
The chronic cardiac, 440
Harris, Pauline L.:
The menopause—a psychosomatic problem, 439
Hartman, Ernest:
Some generalizations on penicillin, 511
Jankiewicz, Harry A.:
Some important tropical diseases. I. Amebiasis, 440
Laughlin, Earl H., Jr.:
Management of thyroid adenomas, 512
Ludwig, E. E.:
Rectal reflexes, 512
Morhardt, R. P.:
500 cc. is to 4 lb. as X is to 150 lb.: X equals 18,750 cc., 513
Roberts, Robert M.:
The indiscriminate use of sulfonamides in nasal and sinus infections, 263
Ruenitz, Robert C.:
Recent research on the epidemiologic factors in anterior poliomyelitis, 160
Soden, C. Haddon:
Spinal joint mobilization under anesthesia, 161
Stern, Paul A.:
Osteopathic management of influenza, 440
Swift, Louise F.: See Chapman, R. J., jt. author
Waters, Earle F.:
Congenital anomalies of the spine, 441

CURRENT MEDICAL LITERATURE, ABSTRACTS AND EXTRACTS

Adams, R. Charles:
Technic of venipuncture, 161
Allen, Edgar V.: See Maclean, Alexander R., jt, author
Altmeyer, Arthur J.:
Persistent problems in social security, ad p. 35 (Feb.)-Ex.
Alvarez, Walter C.:
Some common diagnostic errors, 261
Anderson, Roger:
Concentric arthrodesis of the ankle joint, 436
Ashworth, C. T., and McKemie, J. F.:
Fatalities from salicylate therapy, 330
Atkinson, A. J.: See Roth, J. A., jt. author
Aub, Joseph C., *et al.*:
Baceria and the "toxic factor" in shock, 161
Baldwin, Joseph E.:
Cooperation in a medical care program, ad p. 39 (Nov.)-Ex.
Behrens, Charles F.:
The upper extremity, 549
Brazhnikova, M. G.: See Gause, G. F., jt. author
Brennemann, Joseph:
Abdominal pain in children, 549
Bush, A. F., *et al.*:
X-ray exposure in manufacture and operation of certain electronic tubes, ad p. 50 (Nov.)-Ex.
Cooper, William M.:
Treatment of varicose veins, 398
Dandy, Walter E.:
The treatment of spondylolisthesis, 427
Deery, Edwin M.: See Smith, Allan DeF., jt. author
de Takats, G.:
Nervous regulation of clotting mechanism, 152-E
Dowling, Lee G.:
Social security through our children, ad p. 47 (June)-Ex.
Fitz, Reginald:
Thyrotoxicosis, 212
Frankel, Donald S.:
Effect of caudal analgesia on uterine motility, 438
Freeborn, Stanley F.:
Problems created by returning malaria carriers, ad p. 35 (Sept.)-Ex.
Friedman, Meyer:
Hyperthermia as one of the manifestations of neurocirculatory asthenia, 551
Fries, E. Corinne: See Hirt, Suzanne, jt. author
Garbat, A. L.:
Peptic ulcer, 550
Gause, G. F., and Brazhnikova, M. G.:
Gramicidin S in infections, 212
Gianturco, C.:
A roentgen analysis of the motion of the lower lumbar vertebrae in normal individuals and in patients with low-back pain, 199-E
Gill, Gerald G.:
Measuring bone length by x-ray, 398
Goldberg, Milton:
The psychiatrist meets the parent, ad p. 42 (Mar.)-Ex.
Gregg, A.:
The essential need for fundamental research for social progress, 426
Gregg, N. McAlister:
Congenital cataract following German measles in the mother, 338
Hadley, L. A.:
Roentgenographic studies of the cervical spine, 328-E
Hagman, George L.: See Smith, Alan DeF., jt. author
Harpuder, Karl:
Peripheral vascular reactions after sympathectomy, 461-E
Hellebrandt, F. A.: See Hirt, Suzanne, jt. author
Hilleboe, Herman E.:
Federal TB control division organized, ad p. 50 (Oct.)-Ex.
Hingson, Robert A.: See Lull, Clifford B., jt. author
Hirt, Suzanne; Fries, E. Corinne, and Hellebrandt, F. A.:
Center of gravity of human body, 262
Ivy, A. C.: See Roth, J. A., jt. author
Kabat, Herman:
Neostigmine therapy of neuromuscular dysfunction, 437
Kohn, Paul M.: See Toomey, John A., jt. author
Lenroot, Katharine F.:
Current national developments and problems in public welfare services for children, ad p. 48 (April)-Ex.
The rural child and the Children's Bureau, ad p. 38 (Jan.)-Ex.
Levine, Samuel A.:
Recumbency in heart disease, 162
Lippman, Robert K.:
Bicipital tenosynovitis, 355
Lull, Clifford B., and Hingson, Robert A.:
Statistics on caudal analgesia, 398
McDermott, Walsh, *et al.*:
Oral penicillin, 511
MacDonald, Martha W.:
Mental hygiene in the child-health conference, ad p. 39 (Dec.)-Ex.
McFarland, J. Wayne:
An evaluation of the Kenny treatment, 391
—*et al.*: Kenny treatment combined with neurotripsy in care of poliomyelitis, 327-E
McGarrahan, John C.:
Relation of chickenpox, herpes zoster and acute anterior poliomyelitis and the use of thiamine hydrochloride, 437
McHugh, Rose J.:
Social security for children, ad p. 43 (June)-Ex.
McKemie, J. F.: See Ashworth, C. T., jt. author
MacLean, Alexander R.; Allen, Edgar V., and Magath, Thomas B.:
Orthostatic tachycardia and hypotension, 548
Magath, Thomas B.: See MacLean, Alexander R., jt. author
Milch, Henry:
Measurement of muscle strength, 436
Moreland, H. D.:
Electronic timing provides uniform x-ray exposures, ad p. 47 (Feb.)-Ex.
Morelock, C. G.:
Uncomplicated duodenal ulcer, 162
Morris, George E.:
Industrial skin diseases, 162
Mott, F. D.:
A Federal program of public health and medical services for migratory farm workers, ad p. 51 (July), ad p. 44 (Aug.)-Ex.
Mountin, Joseph W.:
Medical care: a private enterprise or a social service? ad p. 48 (Mar.)-Ex.
Nielsen, J. M.:
Exhaustion syndrome, 293
O'Donnell, Dayton:
Method of destroying crab lice, 511
Pelouze, Percy S.:
Women's role in the control of venereal disease, ad p. 61 (June)-Ex.
Pieri, Raymond J., and Schwartz, Robert C.:
Importance of Rh factor, 397
Piersol, George Morris:
Physical medicine, 455-Ex.
Piper, David L.:
Medical impropaganda, ad p. 35 (Sept.)-Ex.
Pool, Thomas L.:
Infertility in the male, 550
Porter, William C.:
The soldier home from the wars, ad p. 44 (Mar.)-Ex.
Portis, Sidney A.:
Psychosomatic medicine, 212
Rosenthal, Lazar: Soviet research on typhus, 519-Ex.
Roth, J. A.: Ivy, A. C., and Atkinson, A. J.:
Caffeine harmful in peptic ulcer, 393
Rowntree, Leonard G.:
Education and medicine can improve the health of the nation, ad p. 55 (Mar.)-Ex.
Rudd, J. L.:
Hydrogalvanism, 551
Schwartz, Robert C.: See Pieri, Raymond J., jt. author
Scoville, William B.: See Spurling, R. G., jt. author
Shorr, Ephraim:
Reports on kidney stone prevention, ad p. 50 (July)-Ex.
Sievers, Jerome J.:
Whooping cough, ad p. 58 (April)-Ex.
Smith, Alan DeF.; Deery, Edwin M., and Hagman, George L.:
Results following removal of herniated disc, 395
Smith, Anna Kalet:
Family welfare under a new law in Soviet Russia, ad p. 47 (Nov.)-Ex.
Spurling, R. G., and Scoville, William B.:
Ruptured discs in the neck region, 116
Studebaker, John W.:
Federal cooperation rather than Federal control should be the means used to improve education in the states, ad p. 55 (June)-Ex.
Tallman, Frank F.:
Treat the whole human being, 91-Ex.
Tarsy, James M.:
The troublesome shoulder, 293
Toomey, John A:
Stiff neck and meningeal irritation, 510
—and Kohn, Paul M.: Treatment of anterior poliomyelitis in the acute stages, 213
Weiser, H. I.:
Bronchial asthma treated by breathing exercises, 438
Weiss, Edward:
TB and psychosomatic medicine, ad p. 46 (Jan.)-Ex.
Wickenden, Elizabeth:
The veteran comes home, ad p. 39 (Oct.)-Ex.
Williams, Roger J.:
Research needed to achieve full enployment after the war, 530-Ex.

Journal of the American Osteopathic Association

Volume XLIV, September, 1944—August, 1945

INDEX OF PAGES ACCORDING TO MONTHLY ISSUES

Pages	Month	Year	Pages	Month	Year	Pages	Month	Year
1 to 82 inclusive,	September,	1944	217 to 266 inclusive,	January	1945	399 to 446 inclusive,	May,	1945
83 to 120 inclusive,	October	1944	267 to 312 inclusive,	February,	1945	447 to 484 inclusive,	June,	1945
121 to 168 inclusive,	November,	1944	313 to 356 inclusive,	March,	1945	485 to 514 inclusive,	July,	1945
169 to 216 inclusive,	December,	1944	357 to 398 inclusive,	April,	1945	515 to 554 inclusive,	August,	1945

AUTHOR INDEX

This index comprises the names of the authors of articles which have been published in THE JOURNAL OF THE AMERICAN OSTEOPATHIC ASSOCIATION, and the names of those who have read papers before various societies which were subsequently published in THE JOURNAL. The names of authors of books reviewed in THE JOURNAL are found under "Book Notices" in the Subject Index at the end of section "B." The names of authors of articles, abstracts and extracts from other periodicals reviewed in this JOURNAL are found in the Current Literature Department.

Abbott, Edward T:
Continuation study and postgraduate education after the war, 154-SA
Abeyta, A.:
Pitfalls in cataract surgery, 183-OCOO
Allen, Paul van B.:
Report of Committee on Instruction Courses, 68
Report of General Program Chairman, 67
Andrews, E. C.:
Diagnosis and treatment of arthritis, 531-Orth.
Attebery, C. L.:
Fundamental points in the diagnosis of paralytic strabismus, 186-OCOO
Badger, L. F.:
Tropical disease as a postwar problem, 399*
Bailey, Albert W.:
Report of Bureau of Public Health and Safety, 70
Report of Committee on Health Insurance (Compulsory), 68
Report of Committee on Public Health, 70
Ballinger, C. L.:
The sterilization of surgical rubber gloves, 259-COS
Barnes, Margaret:
Spastic paralysis, 499*
Barrows, William T.:
A consideration of surgery on the ovary, 251-COS
Beasley, H. Earle:
Arterial hypertension, 137*
Osteopathic factors in cause and treatment of heart disease, 134*
Beaumont, Charles H.:
Report on Local State Contacts, 69
Becker, Alan R.:
Functional hypoadrenia in allergy (a preliminary report), 169*
Becker, Katherine:
Bibliography of socialized medicine, 210
Current medical literature, 116, 161, 212, 261, 293, 330, 338, 355, 391, 393, 395, 397, 398, 427, 436, 510, 548
Behringer, Wm. H.:
Symposium on hernia: treatment, 324*
Binkert, Emmett:
A report of 100 consecutive cesarean sections, 84 performed under spinal anesthesia, 248-COS
Bradford, W. D., Jr.:
Method of preventing hyperphoria following Motais' ptosis operation in unilateral cases, 471-COS
Bradford, Warren G.:
Management of joint injuries, 525-Orth.
Briley, Mrs. Morris P.:
Congratulatory note on Chicago convention, 163-C
Brown, Edward A.:
Tests for nerve injury, 105*
Bruner, Harold L.:
Human ornithosis and its treatment, 368*
Burns, Louisa:
Methods of applying manipulative technic, 271*
Persistent thymus in a male rabbit, 146*
Tracings showing pulse changes following certain lesions, 4*
Vertebral lesions and uterine malpositions, 195*
Camara, J. A.:
The phorias—blur point and ductions, 353-OCOO
Carey, W. S.:
Surgery of renal calculi, 256-COS
Carroll, Vincent P.:
Report of Committee on Plan for Postwar Graduate Education, 73
Cathie, Angus G.:
The applied anatomy of some postural changes, 217*
The applied anatomy of the skull and its neurovascular contents, 267*
Chandler, Louis C.:
Report of Advisory Board for Osteopathic Specialists, 55
Specialty certification is important, 371-E
Clark, C. N.:
Report of business manager, 51
Clark, Hugh:
Report of Osteopathic Progress Fund, Des Moines Still College of Osteopathy, 290-OPF
Clarke, Robert:
Physical activity in relation to heart disease, 141*
Clybourne, Harold E.:
Backache—the low-back problem, 528-Orth.
Concentric arthrodesis of the ankle joint, [Anderson] 436-CML
Cole, Glen W.:
Differential diagnosis of tuberculosis, osteomyelitis, syphilis and malignancies of bone, 522-Orth.
Conley, George J.:
Diagnosis in abdominal diseases, 274*
The role of the spinal joint lesion in gallbladder disease, 121*
Conn, Milton:
Intervertebral discs, 163-C
Costello, John A.:
Symposium on hernia: etiology and diagnosis, 323*
Cotrille, W. Powell:
The male climacteric, 460*
Crites, A. B.:
The Kansas City meeting, 182-OCOO
Ludwig's angina, 190-OCOO
Traumatic wounds of the face, 346-OCOO
Cross, Roland R.:
Problems and opportunities in public health, 1*
Deming, Guy S.:
Spinal manipulation in rational therapy, 92*
Denslow, J. S.:
An analysis of the irritability of the reflex spinal arcs, 357*
Donley, J. B.:
The jaundiced patient, 284*
Donovan, H. E.:
Intraperitoneal sulfonamides, 247-COS
Downing, Bradley:
Osteopathic manipulative therapy of diarrhea, 163-C
Downing, Carter Harrison:
The vertebral somite in neurosis, 447*
Dressler, Otterbein:
Congratulatory note on Chicago convention, 163-C
Duffell, R. E.: See also Smoot, Esther, jt. author
Advances in polio treatment, 327-E
Current osteopathic literature, 116, 160, 211, 263
Franklin Delano Roosevelt, 423-E
H. E. Litton dies, 110-E
In lieu of an annual meeting, 461-E
Is surgery the answer to the disc problem? 107-E
Kenny treatment continues to be used despite A.M.A. adverse report, 109-E
M.D.'s dabble in manipulation, 425-E
Orthopedic number [of THE JOURNAL], 537-E
Osteopathic clinical findings corroborated, 287-E
Reorganization of E.E.N.T. societies, 153-E
Well-known Canadian physician [Hubert John Pocock] dies, 200-E
X-ray studies of the cervical spine, 328-E
Dunn, Floyd E.:
Psychiatric problems of the returning veteran, 501*
Ely, Lawrence:
Osteopathy in industry; the employer's viewpoint, 83*
Eshenaur, Roy W.:
Venereal diseases in pregnancy, 320*
Farber, Martin E.:
Penicillin in a case of Vincent's infection of middle ear, 465-CH
Fischer, Ralph L.:
Diagnosis and bedside management of cardiac emergencies, 124*
Osteopathic lesion in arthritis, 489*
Foster, C. C.:
Sulfonamides in ear, nose and throat conditions, 349-OCOO
Fox, J. N.: See Karibo, C. J., jt. author
Frey, M. Carl:
Cervical erosions, 231*
Garrison, Earle L.:
The efficient teaching of osteopathic therapeutics, 208-Pr.A
Gibbs, Stephen B.:
Membership reports, 16, 115, 158, 244, 331, 373, 428, 463, 244, 331, 373, 428, 463, 544-Pr.A
Gillett, Clyde F.:
Submucous resection of the nasal septum, 188-OCOO
Gleason, B. L.:
Prenatal care, 318*
Goldberger, M. B.:
Leukorrhea, 414*

Golden, Mary E.:
Report of Committee on Cost of Scientific Investigation of Modalities, 72
Report of Committee on Public Clinics, 70
Goodfellow, Walter V.:
Lip surgery in children, 477-COS
Report of Committee on Endowments, 71
Grant, J. H.:
An M.D. measures lumbar motion, 199-E
Hackney, E. L.:
Tests of circulation, 412*
Hampton, Donald V.:
Report of Bureau of Professional Development, 60
Report of Committee on Research, 60
Hardy, A. C.:
Otology in the postwar period, 103*
Harris, Elihu H.:
Communication regarding War Bonds, 214-C
Harth, C. P.:
Surgical intervention in mastoid infection, 192-OCOO
Hatfield, J. Gordon:
Surgery of the gall-bladder, 483-COS
Hendrickson, D. W.:
Radiological considerations in cholecystography, 304-R
Henley, W. Ballentine:
College faculty ranking and organization, 111-SA
Los Angeles College makes osteopathic progress fund report, 433-OPF
Hobbs, Theodore C.:
Radiation therapy of carcinoma of the prostate versus orchidectomy and stilbestrol therapy, 306-R
Hoover, H. V.:
Speransky's idea and osteopathy, 151-E
Hulburt, Ray G.:
Board of Trustees in special meeting, 372-E
Board of Trustees meets, 239-E
Dr. Laughlin retires from college, 14-E
Editorial policy—a restatement, 240-E
Meeting of A.O.A. Board of Trustees, 503-E
Osteopathy in industry, 109-E
Professional loyalty day, 12-E
Report of editor and director of statistics and information, 52
Warren B. Davis, 110-E
Will professional meetings be held? 287-E
You — and the veteran — and the osteopathic college, 174-PPW
Your representation in A.O.A. affairs, 14-E
Which way the A.M.A.? (Medical legislation in Nebraska and Michigan), 153-E
Isaacson, Paul R.:
Allergy, 411*
Jackson, William M.:
The osteopathic clinical pathologist, 404*
The procuring and handling of specimens intended for laboratory examinations, 313*
Johnson, A. C.:
Treatment of burns, 175*
Kanev, Sydney Mark:
Osteopathy in industry; the industrial physician, 85*
Karibo, C. J.:
Report of two years of routine roentgen examination of chests of newborn and of patients being prepared for surgery, 303-R
—Small, Edward P., Jr., and Fox, J. N.: The roentgen treatment of bronchial asthma with a report of sixty consecutive cases, 300-R
King, Nelson D.:
Henoch's purpura, with report of case, 369*
The infant's first year, 416*
Kline, Albert P.:
The teaching of biochemistry, 241-SA
Kraus, Eugene R.:
Osteopathic radiologists progress, 299-R
Lamb, Howard E.:
Treatment for diseases of the thyroid gland, 197*
Leonard, J. Paul:
Trochanteric fractures of the femur, 535-Orth.
Licklider, Ralph S.:
Recognition and treatment of pathological conditions of the tonsils, 419*
Lum, William H.:
Recent opinions on the conservative management of acute sinusitis, 351-OCOO
McCaughan, R. C.:
Denver D.O.'s do it again! 538-E
Proposed amendments to the constitution and by-laws of the American Osteopathic Association, 372, 427
Report of Bureau of Conventions, 66
Report of the executive secretary, 44
—and Nelson, C. R.: American Public Welfare Association recommends expansion, extension, and improvement of the social security plan, 285
McCornack, Mark W.:
Status thymicolymphaticus, 147*
MacCracken, Frank E.:
Report of Committee on Special Membership Effort, 63
McHenry, Troy L.:
External skeletal fixation, 520-Orth.
Magoun, Harold I.:
Indications for various types of osteopathic manipulative procedures, 485*
Martin, Orel F.:
Making gall-bladder surgery easier, 389-COS
Meyers, Thomas J.:
Foundations of neuropsychiatry, [Cobb] 443-BN
Hypnosis in the treatment of chronic alcoholism, 172*
Psychosomatic diagnosis, [Dunbar] 17-BN
Miller, Paul B.:
The roentgen diagnosis of hydronephrosis with special reference to the idiopathic type, 311-R
Moser, Rose Mary:
Report of the treasurer, 47
Nagel, Leonard C.:
Arthroplasty of the hipjoint, 515-Orth.
Nelson, C. R.: See also McCaughan, R. C., jt. author
Handbook of osteopathic technique, [Stanford Department of Osteopathic Technique, College of Osteopathic Physicians and Surgeons] 294-BN
Nicholl, Robert L.:
A variation of surgical technic in the removal of sebaceous cysts of the scalp, 396-COS
Paul, Frank Winston:
Early skin grafting for burns; a case history, 177*
Peach, J. M.:
Contact with prospective students in the military service, 158-Pr.A
Pearson, H. Dale:
Report of Committee to Study Plans for Council on Osteopathic Education and Hospitals, 60
Peckham, Floyd F.:
Report of Bureau of Hospitals, 64
Report of Committee on Student Loan Fund, 71
Report of Hospitals Co-Relations Committee, 65
Porias, J. Armande:
Giant-cell tumor of bone—its roentgen diagnosis and treatment, 308-R
Reid, C. C.:
Are you interested in E.E.N.T. work? 341-OCOO
Chronic progressive deafness, 343-OCOO
Evolution of the eye, ear, nose and throat specialty in the osteopathic profession, 181-OCOO
Rice, Ralph W.:
Report of Committee on Professional Visual Education, 63
Rice, V. L.:
Brucellosis, 279*
Riley, George W.:
The osteopathic physician's role in rehabilitation, 201-SA
Robuck, S. V.:
Report of Department of Professional Affairs, 53
Thanks to the members of the Department of Professional Affairs, 15-Pr.A
Roscoe, Robert S.:
A psychosomatic aspect of hypertension, 492*
The problem of infection in the chronically ill child, 228*
Ruddy, T. J.:
Multum in parvo, 342-OCOO
Saxon, Harvey:
The osteopathic management of influenza, 10*
Seyfried, Lloyd A.:
A message from the retiring president of O. & O. L., 194-OCOO
Facial tissue losses and their plastic repair, [Seyfried] 473-COS
Sheets, J. Donald:
Clinical aspects of dehydration, 482-COS
The indications for surgical intervention in hydronephrosis with special consideration of the indications for nephropexy, 392-COS
Sheppard, Richard N., and Sheppard, Stephen A.:

Sherr, Julius:
Malaria, 456*
Slater, Russell C.:
Report of Committee on Ethics and Censorship, 62
Small, Edward P., Jr.: See Karibo, C. J., jt. author
Smoot, Esther:
Current osteopathic literature, 337, 439, 511, 551
Denervation operations and osteopathic lesions, 461-E
Dynamic state of body constituents, [Schoenheimer] 554-BN
Fundamental research essential for social progress, 426-E
—and Duffell, R. E.:
Harry L. Chiles dies, 537-E
Snyder, C. Paul:
An epoch in our affairs, 182-OCOO
Diagnostic and therapeutic aids for the general practitioner in relation to ear, nose and throat conditions, 421*
Immediate action is necessary (to become member of O. & O. L.), 341-OCOO
Sommers, J. E.:
The effect of war on the ears, 193-OCOO
Stanley, S. Edward:
Management of acute dermatitis, 282*
Starks, C. R.:
February emergency meeting cancelled, 288-E
Steiner, Charles:
The Rh factor and its clinical significance, 363*
Stewart, J. N.:
Correction of hypoproteinemia, 480-COS
Strong, Leonard V., Jr.:
Osteopathic experiences need to be published, 13-E
Postoperative manipulative treatment and clotting time of the blood, 152-E
Swope, Chester D.:
Additional Selective Service memoranda, 509-Pu.R
Bills in Congress, 16, 333, 379, 432, 508-Pu.R
Clear everything with medical pressure group, says Army Medical Bureau, 1[illegible]-E
Federal aid for hospital construction, [illegible]34-Pu.R
Federal Communications Commission allocates frequency bands for diathermy apparatus, 510-Pu.R
Federal Communications Commission proposes reallocation of frequencies for short wave diathermy, 431-Pu.R
Federal income taxes for 1944 and 1945, 208-Pu.R
Food and Drug Administration, 380-Pu.R
Gasoline, tires and new (1942) passenger automobiles, 431-Pu.R
New Wagner-Murray-Dingell bill, 506-Pu.R
OPA regulations regarding extra food prescriptions modified, 114-Pu.R
OPA sugar rationing, 261-Pu.R
Osteopathy and the public health, 159-Pu.R
Osteopathy listed as "critical" activity by War Manpower Commission, 335-Pu.R
Public Health Service commissioned corps declared military service, 548-Pu.R
Registrants who leave employment for which deferred, 291-Pu.R
Selective Service—new procedures for occupational classification, 377-Pu.R
Selective Service occupational classification revised, 545-Pu.R
Thomas, Robert B.:
Report of Advisory Committee on Clinical Research, 62
Tilley, R. McFarlane:
Report of Bureau of Professional Education and Colleges, 54
Tindall, Charles C.:
Malaria: diagnosis and treatment, 235*
Tinley, Ruth Elizabeth:
Some endocrine problems of childhood, 142*
Tomajan, Karnig:

SUBJECT INDEX

All reading matter published in THE JOURNAL OF THE AMERICAN OSTEOPATHIC ASSOCIATION during the past year appears in this index. "Book Notices" appear under author and subject at the end of section "B." Under Legal and Legislative, at the end of "L," are listed by states legislative measures affecting physicians. Under Conventions and Meetings, at the end of "C," are listed the regional, divisional and local societies holding meetings, and following these the special and specialty groups.

KEY TO INDEX

American College of Osteopathic Surgeons ..... COS
American Osteopathic College of Radiology ..... R
Book Notices ..... BN
Case Histories ..... CH
Communications C
Current Osteopathic Literature Abstracts ..... COL
Current Medical Literature Abstracts ..... CML
Department of Professional Affairs ..... Pr.A
Department of Public Affairs ..... Pu.A
Department of Public Relations ..... Pu.R
Division of Public and Professional Welfare ..... PPW
Editorials ..... E
Extracts from books and periodicals ..... Ex.
Legal and Legislative LL
National Board of Examiners for Osteopathic Physicians and Surgeons ..... NBE
Original Articles ..... *
Osteopathic Academy of Orthopedics ..... Orth.
Osteopathic College of Ophthalmology and Otorhinolaryngology ..... OCOO
Osteopathic Progress Fund ..... OPF
Special Articles ..... SA
State Boards ..... SB

A

ABDOMEN: See also Digestive System; Gall-Bladder; Peptic Ulcer; Peritoneum; etc.
diseases, diagnosis of, [Conley] 274*
diseases, inter-relation, [Forrai] 214-BN
pain, in children, [Brennemann] 549-CML
ABORTION, [Wolfe] 539*
problem, [National Committee on Maternal Health, Inc.] ad p. 57 (Aug.)-BN
ABSENTEEISM, among industrial workers, ad p. 63 (June)-Ex.
ACADEMY OF APPLIED OSTEOPATHY, year book, 514-BN
ACUTE DISORDERS, medical, diagnosis and treatment, [Murphy] ad p. 56 (Feb).-BN
ADENOMA: See Tumors
ADRENALS, functional hypoadrenia in allergy (a preliminary report), [Becker] 169*

Osteopathic War Council, 73
Regional Advisory Council, 72
roster, 76, 542
Season's Greetings from the officers, [McCaughan, Moser, Clark and Hulburt] 199-E
Treasurer, annual report [Moser] 47
your representation in A.O.A. affairs [Hulburt] 14-E
AMERICAN OSTEOPATHIC BOARD OF PATHOLOGY, constitution and by-laws, 156
history, 155
radiological supplement to THE JOURNAL, 297-R
osteopathic radiologists progress, [Kraus] 299-R
AMERICAN OSTEOPATHIC COLLEGE OF RADIOLOGY, membership list, 298-R
osteopathic radiologists progress, [Kraus] 299-R
radiological supplement to THE JOURNAL, 297-R
AMERICAN OSTEOPATHIC SOCIETY OF OPHTHALMOLOGY AND OTOLARYNGOLOGY: See Osteopathic College of Ophthalmology and Otorhinolaryngology
AMERICAN PUBLIC WELFARE ASSOCIATION, recommends expansion, extension, and improvement of the social security plan, [McCaughan and Nelson] 285
AMERICAN RED CROSS: See Red Cross
ANALGESIA: See Anesthesia
ANATOMY: See also Body Mechanics; Nervous System
applied, of some postural changes [Cathie] 217*
as a basis for medical and dental practice, [Mainland] ad p. 66 (June)-BN
atlas of, [Grant] ad p. 44 (Dec.)-BN
method of, [Grant] 355-BN
ANESTHESIA: See also Surgery
art of, [Flagg] ad p. 52 (Feb.)-BN
caudal analgesia; effect on uterine motility, [Frankel] 438-CML
caudal analgesia, statistics, [Lull and Hingson] 398-CML
caudal analgesia (using procaine) in obstetrics: review of practical applications, [Sheppard and Sheppard] 99*
spinal joint manipulation under, [Soden] 161-COL
spinal, report of 84 cesarean sections performed under, [Binkert] 248-COS
ANGINA, Ludwig's, [Crites] 190-OCOO
ANGINA PECTORIS, diagnosis and bedside management, [Fischer] 130*
ANIMAL EXPERIMENTATION: See Research, Osteopathic
ANKLE, concentric arthrodesis, [Anderson] 436-CML
APPENDICITIS, oxyuriasis in one thousand cases, [Button and Arends] 552-COL
ARMED FORCES: See also Legal and Legislative, United States; Postwar Period; Veterans; War Medicine; etc.
Army sets new health record, 286-Ex.
call to nurses, ad p. 59 (Mar.)-Ex.
clear everything with medical pressure group, says Army Medical Bureau, [Swope] 152-E
contact with prospective students in the military service, [Peach] 158-Pr.A
education and medicine can improve the health of the nation, [Rowntree] ad p. 55 (Mar.)-Ex.
menace of tropical diseases from returning troops called slight, 286-Ex.
malaria in, ad p. 51 (June)-Ex.
music as aid to treatment, ad p. 41 (Mar.)-Ex.
orthopedic rehabilitation by Royal Navy, ad p. 39 (May)-Ex.
osteopathic physician's role in rehabilitation, [Riley] 201-SA
osteopathy and the public health, [Swope] 159-Pu.R
physiotherapists needed to speed soldier recovery, ad p. 45 (Sept.)-Ex
Public Health Service commissioned corps declared military service, 548-Pu.R
recovery rate of wounded soldiers, 291-Ex
the soldier home from war, [Porter] ad p. 44 (March)-Ex.
ARMS: See Extremities
ARRHYTHMIA, diagnosis and bedside management, [Fischer] 131*
ARTHRITIS, diagnosis and treatment, [Andrews] 531-Orth.
osteopathic lesion in, [Fischer] 489*
ARTHRODESIS: See Ankle
ARTHROPLASTY, of hip joint, [Nagel] 515-Orth.
ARTIFICIAL EYES: See Eyes, plastic
ASTHENIA, neurocirulatory, [Downing] 451*
neurocirculatory, hyperthermia as manifestation, [Friedman] 551-CML
ASTHMA, bronchial, roentgen treatment, with report of sixty consecutive cases, [Karibo; Small, and Fox] 300-R
bronchial, therapy by breathing exercises, [Weiser] 438-CML
ATHLETICS: See Exercise; Physical Fitness; etc.
AUTOMOBILES: See Rationing
AVITAMINOSES: See Deficiency Diseases

signing of death certificates by chiropractors, 374
sterilization of insane at state institutions, 374

Connecticut

amendment of chiropractic act, 374
amendment of osteopathic act, 374
blanket hospitalization, medical and surgical insurance for family groups, 374
board of administrative research and planning, 464
commission for care of aged, infirm and chronically ill, 374
commission to investigate health insurance, 374
compensation for the members of board of healing arts, 374
department of professional and vocational licensing, 374
extension of narcotic law, 374
massage practice act, 374
state hospital for care of inebriates, 374
to empower Connecticut Hospital Service, Inc., to contract with and act as agent for medical service corporations, 374
to limit use of x-ray or radium, 374
to permit naturopaths to withdraw blood, 374
to permit physician to prescribe means for temporary prevention of pregnancy, 374
uniform social security bill, 374

Delaware

premarital certificate of freedom from active syphilis, 464
survey of hospital facilities and needs and acceptance of Federal funds, 464

District of Columbia

optometry practice law, 374
to substitute the office of medical examiner for that of coroner, 329

Florida

amendment of medical practice act, 505
blood test in pregnancy, 464
premarital certificate of freedom from active syphilis, 464
survey of hospital facilities and needs and acceptance of Federal funds, 464

Georgia

acceptance of Federal funds for health program, 464
naturopathic practice bill, 374
registration of deaths, births, stillbirths and foundlings, 374
rules for certifying midwives, 374

Idaho

amendment of chiropractic act, 374
naturopathic practice act, 374

Illinois

blood typing of applicants for marriage license, 429
chiropractic bill, 464
commission to study hospital and medical care facilities and needs, 464
distribution of blood plasma, penicillin, etc., 429
facilities for care and treatment of chronically ill, 544
funds for treatment of cancer, 429
license for nursing homes, 429
operation of "private hospital" without license, 374
to include chiropractic and osteopathic care for persons receiving old age pension grants, 374
to permit person to demand x-ray photograph for which he has paid, 464
township public hospitals, 374

Indiana

admission to James Whitcomb Riley Hospital for Children, 329. Enacted, 464
amendment to law relating to state board of health. Enacted, 464
amendment to medical practice act as it relates to osteopathy, 329. Enacted, 374. Correction, 429
amendment to Workmen's Compensation law. Enacted, 464
authorization of department of public health at Indiana University. Enacted, 464
boards of hospitals supported by public funds, 429
certificates and licenses to chiropractors discharged from armed forces, 329
chiropractic act, 374
collection of vital statistics, 464
concerning mental cases, 329
creation of advisory public health council. Enacted, 464
creation of council for mental health. Enacted, 464
creation of departments of public health and hospitals in cities of more than 300,000, 374. Enacted, 464
establishment of a new state board of health, 329
license for operation of hospital, 374
license for operation of hospital and creation of council in board of health. Enacted, 464
licensing of M.D.'s discharged from armed services, 329
making tuberculosis a reportable disease. Enacted, 464
naturopathy and physiotherapy practice act, 374
regulation and licensing of hospitals, 329
setting up Board of Medical Board of Registration and Examination of Indiana. Enacted, 464
setting up joint legislative committee to see whether Indiana Medical School cannot turn out more graduates, 374
setting up new board of medical examination and registration, 374
uniform vital statistics bill, 429

Iowa

amending chiropody license act, 374
amending hospital service act. Passed, 374
medical and surgical insurance plans, 329
to prohibit physicians quoting guaranty, price, etc., prior to consultation, 374

Kansas

amending osteopathic practice act, 329
food, drug and cosmetics bill, 374
license for hospitals, sanatoriums, rest homes, etc., 429
naturopathic practice act, 429
new medical practice act, 329
nonprofit medical service corporation act, 374, 429
premarital certificate covering serologic test for syphilis. Passed house, 374
premarital examination for syphilis, 429
uniform narcotic drug bill, 329

Maine

acceptance of certificates of commitment and other reports and health certificates made by osteopathic physicians, 464
additional subjects in which chiropractor must be examined, 374
amending osteopathic act, 375
amending Workmen's Compensation law, 429
certificates of freedom from communicable or infectious diseases for persons coming in contact with students, 464
examination of graduates of osteopathic schools of nursing, 505
Henry M. Close reappointed as medical examiner of Androscoggin County, 429
including chiropractors under those who may render service under Workmen's Compensation Act, 375
including hydrotherapy and diet in definition of chiropractic, 374
increasing educational qualifications for chiropractors, 375
licensing hospitals and related institutions, 429
survey and evaluation of public and private hospitals, 429
survey of health centers and hospitals and to accept Federal funds, 375
test for syphilis in pregnant, 429
to permit chiropractors to use title, "Doctor," 374
to require evidence of small pox vaccination and diphtheria immunization, 375
to require physicians to report patients who discontinue treatment for venereal diseases while in a transmissible state, 375
to require school employees to have certificates of freedom from communicable or infectious diseases, 375, 429

Maryland

amending law relating to nonprofit hospital service plans, 329
chiropody practice act, 429
commission to study field of medical care, 464
defining osteopathic practice, 429
license for operation of hospital, 329
licensing without examination of certain M.D.'s, 429
medical services for indigent, 375
naturopathic bill, 429
physical therapy practice bill, 429
prohibiting discrimination against students in hospitals supported by government funds, 430
requiring examination for suspected venereal disease, 429
restricting advertising by osteopathic physicians, chiropractors, physiotherapists, and naturopaths, 464

Massachusetts

amending Medical Practice Act as it relates to osteopathy, 330
annual examination for syphilis of every licensed physician, 329
cash sickness compensation, 329, 330
chiropractic practice act, 329, 464
commission to investigate state institutions, other than educational, 544
examination and licensing of persons who matriculated at Middlesex University, 430
insurance plan requiring employers to set up system for payment of cash benefits for sickness, etc., 329
licensing of convlescent or nursing homes, 430
limited license to fellows, interns and residents in private hospitals and clinics, 329
limiting physicians' charges in hospitals supported by public funds, 375
making reportable cancer, leukemia, and malignant growths, 330
medical care for recipients of old age assistance, 430
membership of approving board. Enacted, 505
prohibiting sale of certain drugs except on prescription, 330
recognition of certificates of National Board of Examiners for Osteopathic Physicians and Surgeons, 505
repeal of provisions of Medical Practice Act relating to Massachusetts Approving Authority, 375

requiring employers under workmen's compensation to furnish glasses, hearing devices, etc., 330
requiring written examination before licensing anyone whose medical license has been revoked, 330
to provide that only two re-examinations may be taken for license to practice, 330
uniform vital statistics bill, 430
written report from physician performing operations, 329

Michigan

appointment of board of industrial medical examiners, 430
collaboration of municipalities in building and operating hospitals, 430
incorporation of hospital authorities for operating community hospitals, 330
licensing of hospitals, sanatoriums, rest homes, etc., 430, 464
which way the A.M.A.? [Hulburt] 153-E

discrimination against licensed practitioners in sickness and accident insurance policies, 375
license for operation of hospital, 375
licenses for practical nurses, 375
nonprofit medical service corporation, 375
voiding of contract restraining lawful practice of profession, 430

Ohio

chiropractic practice bill, 430
Cleveland Hospital Service Association service plan unfair, 375
licensing of naturopaths, 430
test for syphilis in pregnant, 430

Oklahoma

acceptance of Federal funds, 505
authorizing counties to form cooperative health departments, 505
creation of state board of health including representation of chiropractic and osteopathy. Passed house, 430
establishment of public health districts, 505
licenses for hospitals, rest homes or nursing homes, 465
making venereal diseases reportable, 375
premarital certificate of freedom from venereal disease, 330
quarantining venereal disease victims, 375
state board of health, 505
study of hospitals and health centers, 465
test for syphilis in pregnant, 430

Oregon

amendment to medical practice act, 375
increasing annual re-registration fee, 375
school programs of health instruction and physical education, 375
setting up committee to survey hospital needs of state. Enacted. Ira J. Neher appointed as member, 430
survey of hospitals and health centers, 430

Pennsylvania

amending osteopathic practice act, 430
appropriation for study of cancer, 465
chiropractic practice bill, 430
establishment of rheumatic fever clinics, 430
examination of persons suspected of having venereal disease, 430
license to practice chiropody, 376
making tuberculosis a reportable disease, 375
massage practice bill, 465
medical and dental examination of school children, teachers and employees, 430. Enacted, 505
medical examination of all residents from 12 to 65, 430
permitting hospital service plans to operate medical service plans, 465
professional licensing without examination of discharged members of armed forces, 430
regulations regarding dispensing hypnotics and analgesics, 505
regulations regarding prescription of narcotics. Enacted, 505
reporting and treatment of venereal diseases, 375
revocation of licenses of violators of narcotic laws, 375
study and diagnosis required before operation, 430
temporary licensing of graduates of approved M.D. schools, 376
written prescription for retail sale of penicillin, 465

Rhode Island

incorporation of nonprofit medical service corporations, 430. Enacted, 465
naturopathic practice bill, 430
prohibiting discrimination against osteopthic physicians and optometrists in medical plans involving expenditure of state funds. Enacted, 465

South Carolina

city tax on gross income of business and professional people, 376
nonprofit hospital service corporations, 376
premarital examination for syphilis, 430
survey and evaluation of hospitals and health centers, 465
tests for syphilis in pregnant, 376

South Dakota

appointment of county boards of health. Lost, 430
license for operation of hospital, 376
nonprofit hospital service plans, 376
nonprofit medical service plan corporations, 376
preventing discrimination between practitioners in county hospitals because of school of practice, 330

Tennessee

amending medical practice act. Enacted, 431
amending the naturopathic practice act, 376. Enacted, 430
basic science law amended so that it now relates to all practitioners of the healing arts, 430
establishment of corporations to operate nonprofit hospital service plans, 431
nonprofit medical service plan corporations, 376

Texas

amending Texas General Corporation law, 330
chiropractic practice act, 376, 431
commission to study hospital facilities, etc., 544
court decision regarding discrimination against osteopathic physicians under EMIC plan. Case appealed, 465
exempting chiropractors from medical practice act, 376
exempting naturopaths from medical practice act, 376
license for convalescent home, 376
naturopathic practice act, 376
physical restoration for crippled children, 465
premarital venereal disease examination, 376
prohibition of discrimination against any school of medicine by legislature, 431
relating to erection and equipment of hospitals by county commissioners, 330
requiring premarital health certificates to be signed by physicians licensed to practice medicine and surgery, 330
requiring serologic tests for syphilis in pregnant women and relating to approval of serologic laboratories by state board of health, 330

Utah

dispensing of eyeglasses, 376
establishment and operation of hospitals by cities and towns, 431
license for operating institutions rendering obstetrical care, 330
medical examination of food handlers, 431
premarital examination for venereal disease. Passed house, 376
quarantining of tuberculous patients, 431
receiving Federal funds for disease control, hospitals, etc., 431
uniform narcotic drug bill, 376

Virginia

a basic science board was set up to examine candidates for licenses to practice chiropractic and naturopathy, 330
survey and evaluation of hospitals and acceptance of Federal funds, 465

Vermont

accepting funds for promotion of health from Federal government, 431
amendment of osteopathic practice act. Passed house but killed in senate, 431
commission to evaluate hospitals and health centers and to accept Federal funds, 431
compensation of injured workmen, 431
examination of persons suspected of having venereal diseases, 431

Washington

discrimination under the laws entitling persons to medical care or services, 431
exempting chiropractors from basic science law, 376
